HCR 2112—A concurrent resolution paying tribute to sons and daughters of state of Florida in the United States armed forces by awarding a State Medal of Tribute to be presented by the governor.

WHEREAS, from time to time the people of this nation, with hearts full of love and gratitude looking toward the establishment of peace on earth and good will toward all mankind, have found it necessary because of rampant and unrestrained communist military aggression, to offer the young men of our country to go to the four corners of this earth and fight a war and lay down their lives with the burning hope that they have not died in vain, but that out of this great suffering and terrible destruction and horror there shall rise the strong foundation of a lasting peace, affording to all peoples of the world liberty of worship, speech, and freedom from fear and want, and allow the self dignity of man to be the heritage of every human being, and

WHEREAS, in furtherance of this unselfish desire to protect and allow an unrestrained growth of these inalienable rights, this great nation has sent the sons and daughters of our state to the far destined shore of southeast Asian nations to preserve upon that land the foundation of the dignity of the spirit and soul of the Vietnamese people, and,

WHEREAS, these sons and daughters of our state along with the sons and daughters of our sister states are facing cruelties, suffering and degradation so unbearable that death itself is kind, and

WHEREAS, these sons and daughters of our state are serving with a valor and courage that raises a swell of pride in the patriot citizens of our country, and,

WHEREAS, the sons and daughters of our state are serving in this horrible war solely because of this nation's needs and without thought of self, and

WHEREAS, such service placed a debt on us who are spared the rigors of this war far beyond the ordinary bonds of gratitude, and,

WHEREAS, in our nation today, where the freedom to speak out and protest is preserved, there are those who are displaying their disapproval of this nation's involvement in this war and as a result marches and protests have been commonplace throughout this great nation, and,

WHEREAS, the citizens of our state have felt the pain, humiliation and embarrassment of such displays, as do our fighting sons in Vietnam, and,

WHEREAS, the true people of this state desire to humbly honor these men and women, our sons and daughters in Vietnam, NOW, THEREFORE,

Be It Resolved by the House of Representatives of the State of Florida, the Senate Concurring:

Section 1. PAIR

The following Pair was announced by the Secretary in accordance with Senate Rule 8.4:

I am paired with Senator Haverfield on HB 460.

If he were present he would vote "Nay" and I would vote "Yea."

ROBERT L. SHEVIN
Senator, 43rd District

Dated May 26, 1967

By unanimous consent, Senator Askew withdrew the motion that the Senate reconsider the vote by which HB 123 as amended passed the Senate this day.

EXPLANATION OF MOTION

At the time I made the motion to reconsider the vote by which HB 123 passed I was under the impression that the bill, as amended, would have permitted racing on Sunday, but it has been brought to my attention that all forms of pari-mutuel racing are prohibited in Chapter 550 of the Florida Statutes and that the section repealed in HB 123 is superfluous, and for this reason I withdrew my motion to reconsider and retain my vote of "yea" on the passage of the bill as amended.
